BOLT BLOODSTREAM
THIS IS BOLT'S BLOODSTREAM.
BASED ON WHAT I'VE GATHERED FROM TESTING SPARKY, HIS SUPERSPEED COMES FROM CHARGING HIMSELF WITH A KIND OF BIOELECTRICITY.

SO WE RELEASE THE URM INTO HIS SYSTEM...

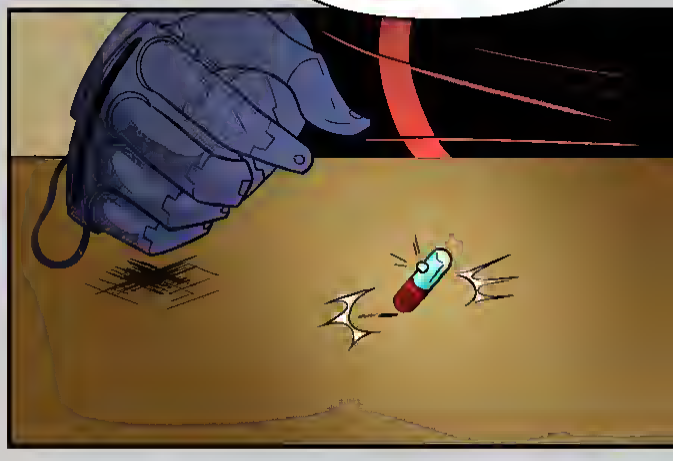
AND BOOM. NO MORE SPEED. ZERO WINS. CHEERS AND PARADES AND CONFETTI.

BUT I'M A SCIENTIST. TRUST BUT

LUCKILY,

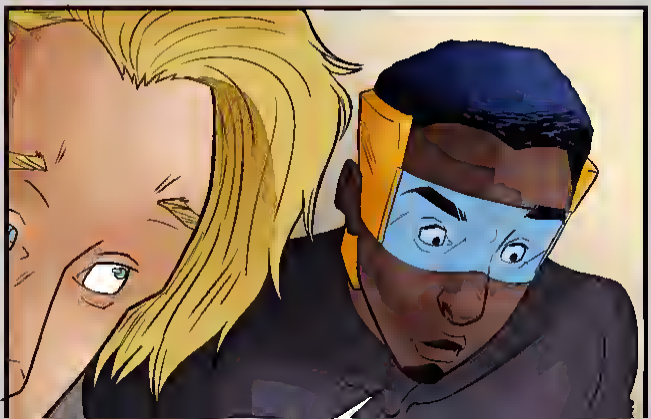
VERIFY.

I'M A SCIENTIST WITH A FLEXIBLE MORAL COMPASS. AND WE HAVE A GUINEA PIG.

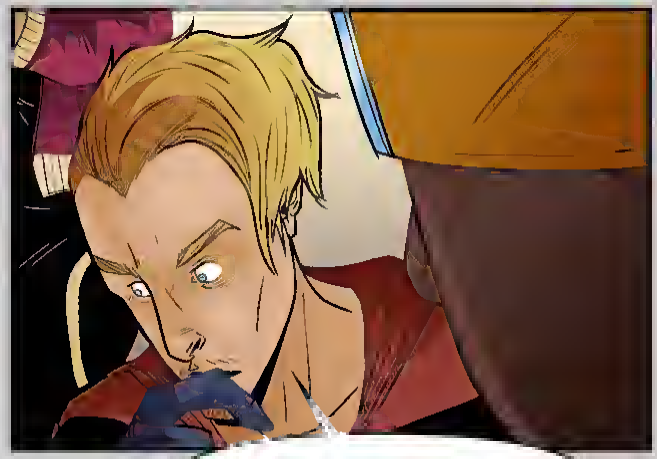


HOW CAN WE GET SPARKY TO INGEST IT WITHOUT KNOWING WHAT

KNOWING WHAT
IT IS?



WE CAN'T JUST ASK HIM TO DO IT?



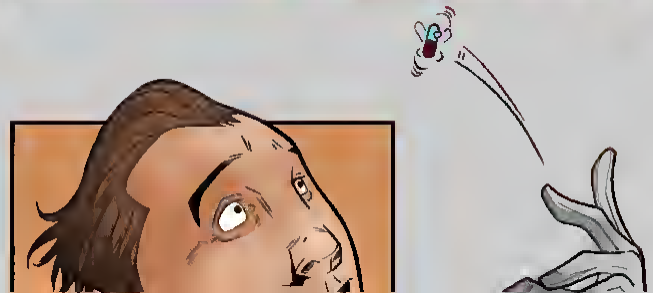
CAN'T LET HIM KNOW WHAT IT IS. NEED TO KNOW THE RESPONSE IS BIOMECHANICAL, NOT PSYCHOLOGICAL.

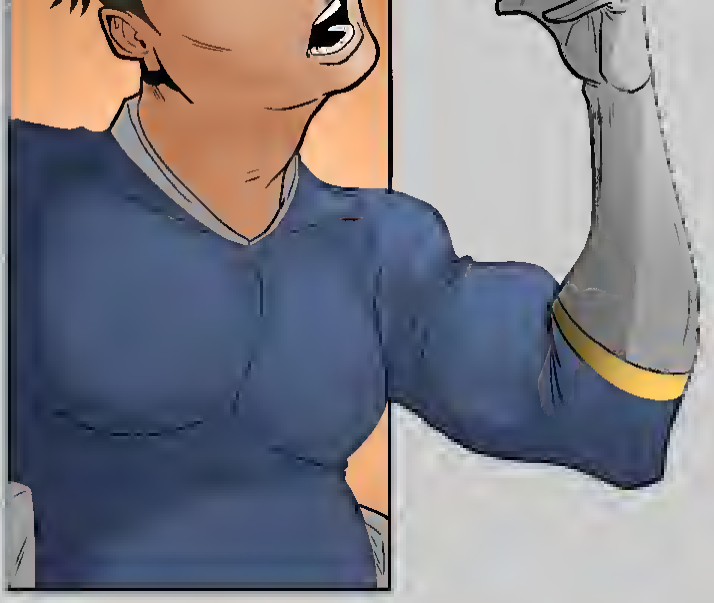
TEN BUCKS SAYS I CAN DO IT.

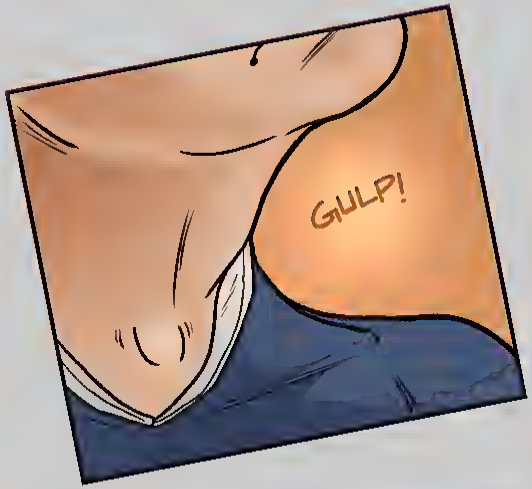
YOU'RE ON.
DUDE, YOU REALLY NEED TO STOP ACCEPTING BETS ON MY BEHALF.

HEY SPARKY, BET YOU 5 BUCKS YOU CAN'T SWALLOW THIS.

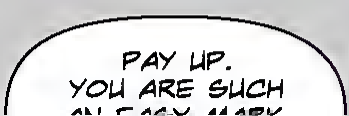
DEAL!





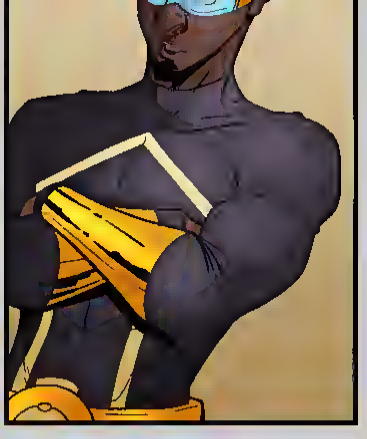


GULP!



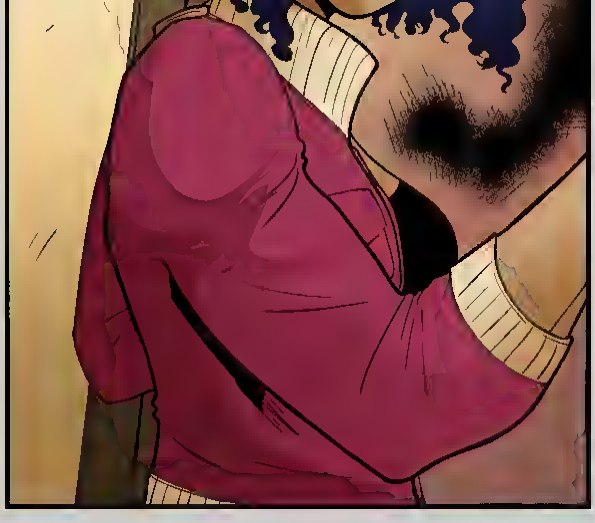
PAY UP.
YOU ARE SUCH

AN EASY MARK, VAL. IT'S KIND OF EMBARASSING.
WELL. THAT WORKS?

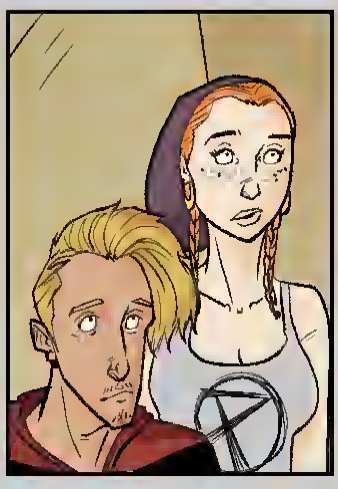


GOTTA JET, GUYS. CATCH YOU LATER.

DON'T FORGET, MIKE. YOU OWE ME 15 BUCKS.



SLAM!



SHE IS MY NEW FAVOURITE PERSON.

DOES ANYONE ELSE FEEL A BIT

WEIRD?
